GRID·LEARNING

Course Quality Checklist

Minimum Requirements Checklist

We have minimum course standards in place to guarantee a great learner experience. Your course will receive personalized feedback from our Review Team after submission. To expedite the review process, please ensure you meet every item on this checklist before you submit.

We are pleased to confirm your decision to join us and commitment to contribute to our curriculum.

A complete course should consist of:

☐ At least 30 minutes of video content

☐ HD video quality (720p minimum)

☐ At least 5 separate chapters and provide high-value instructions that delivers clear learning outcomes

☐ Audio must be clean, perfectly synched and delivered in two channels (stereo)

A complete course landing page consists of:

☐ A High resolution course image (min. 2048x1152 pixels)

☐ A Catchy, keyword-rich title and subtitle

☐ Comprehensive, 1000+ word course overview

☐ Complete & professional instructor bio and profile photo

☐ Clear course goals, audience and requirements

Please take some time to review Grid Learning's Policy Guidelines.
